Answer the following four questions. There is no minimum or maximum length for your answers; however, you should provide enough detail in your answers to questions (1) and (2) to justify the rating you assign yourself in question (4).

Question #1: In the past four weeks, how have you tried to **engage yourself** in this course? **Provide as much detail as possible**, including links and attachments where appropriate.

Question #2: In the past four weeks, how have you tried to **engage and support others** in or through this course? **Provide as much detail as possible**, including links and attachments where appropriate.

Question #3: In the next four weeks, what are some ways you could **improve** your engagement in this course? **Outline at least one actionable plan**.

Question #4: On a scale from 0 to 3, how would you rate your overall engagement in this course over the past four weeks? Rate your engagement according to the following rubric:

- 3 I did outstanding: I engaged above and beyond all expectations
- 2 I did a good amount: I engaged as much as one should
- 1 I should be doing more: I engaged, but only did the bare minimum
- 0 I'll be honest: I did not engage at all

Optional: Question #5: What barriers have you experienced in your attempts to engage in this course, and is there anything that I (the instructor) or your classmates could do to better support you?
